HELP!

**YOUR VOTE IS NEEDED
TO ELECT LIBERTARIAN
WRITE-IN CANDIDATES**

Dear Libertarian Voter,

HELP!!

Several Libertarian candidates in the primary election are write-in candidates. THEY NEED YOUR WRITE-IN VOTES IN THE PRIMARY TO GET THEIR NAMES ON THE NOVEMBER BALLOT!!

United States Senator	Marc Victor
U.S. Representative in Congress District 1	Kim Allen
U.S. Representative in Congress District 2	Anthony Prowell
U.S. Representative in Congress District 9	Powell Gammill
State Senator District 8	Dean Dill
State Representative District 28	Jim Iannuzo
State Representative District 29	Bill Barker
Corporation Commissioner	Christopher Gohl
Phoenix Justice of the Peace Downtown	Thane Eichenauer

You may receive an early primary ballot by mail or you may vote at the polls. In either case, please write in the Libertarian candidates that are in your districts. By state law write-in candidates need to get at least as many votes in the primary election as they would have needed petition signatures to get on the primary ballot. Please write in votes for them! If you don't, they won't be on the ballot in November! (Be sure to use exact names as above.)

Please see our website at <http://www.azlp.org> for other recommended Libertarian candidates you may want to vote for.

Thank you and best regards,

Warren Severin, Chairman, Arizona Libertarian Party
